Meeting Place

The class will meet at Boeing Company's Building 100, training rooms A and B, 100 Boeing Way, Titusville, FL, 32870. In an emergency, those who need to reach you may call 321-383-2818 or fax 321-269-6207.

Driving Instructions

To travel to Titusville from Orlando International Airport, take the Bee Line Expressway (SR-528, toll road) east for about 28 miles. Take the north leg of the Bee Line Expressway (SR-407) northeast for four miles, until it meets Interstate 95. Take I-95 north four miles to Exit 79, SR-50 (Cheney Highway). Three of the hotels listed below are in this area ([see map, over](#)). To travel from the hotels to the Boeing course site, proceed on SR-50 to SR-405 (Columbia Blvd.). Travel three miles east on SR-405, then merge onto US-1/FL-5 south, travel $\frac{3}{4}$ of a mile and turn left at Horizon Drive and then turn into Boeing Way.

Accommodations

You will need to arrange your own accommodations. Some nearby hotels are listed below. Be sure to mention that you will be attending a TTI seminar at Boeing Company and ask about specials and corporate or government rates when reserving. The rates shown are subject to change and do not include local tax.

Preparation

If you have any specifications or procedures relating to your current project, please bring them along to class. Bring with you specifics of any related problems that may be causing you concern. Also, any manuals or sales literature for equipment you want to discuss specifically or are considering purchasing.

Course Notebook

Each attendee will receive a copy of the course notebook, which contains copies of the view graphs displayed during the class, and space to write notes concerning questions and comments by the instructor or other classmates. Review your notes each evening; if in doubt about some topic, ask your instructor the next morning.

Information Form

The enclosed Registration/Information Form (two sides) is designed to maximize your benefit from the course by informing us of your particular needs and interests. Please fax or mail us the completed information, or bring it to the first class meeting and give it to the instructor. We are interested in knowing how your activities and those of your section fit into your organization's overall programs.

Return Travel

We cover a semester's worth of material in our classes. Please make every effort not to cut short your attendance on the last day. To receive your certificate, make your travel reservations based on leaving class no earlier than 4:00 pm on Wednesday. We advise you to reserve on a flight departing from Orlando no earlier than 7:00 pm on that day.

General Information

For your comfort, please bring a jacket or sweater to class with you.

We look forward to meeting you!
