

Technology Maintenance Programs from Technology Training, Inc.

The TTi Nevada Training Facility

“It is not enough to become qualified; You must remain qualified!”

The TTi Nevada Training Facility is conveniently located between McCarran International Airport and the famous Las Vegas Strip, at 115 E. Reno Avenue, Suite 2, in the Quail Air Business center. It is just a short trip by taxi from the airport.

Automobile rental is optional; the TTi facility is within easy walking distance from the intersection of Las Vegas Boulevard and Tropicana Avenue. Numerous hotels are available nearby for sleeping accommodation.

Available facilities

TTi's Nevada Training Facility has three rooms available for possible rental to third parties. Each room is equipped with a computer, computer projector and screen.

1. 18 seat classroom style lecture room
2. 16 seat computer lab.
3. 30 seat multi-purpose room.

Reservation and Payment terms

- On confirmation of dates, a *non-refundable* credit card deposit of 50% of one day's rental fee is required to hold your reservation.
- The remaining balance will be invoiced, for payment 30 days after the last day of the rental term.
- Cancellation Deadline: 10 calendar days before the start of classes. Thereafter 50% of full rental fee for the reservation is due and payable.
- Deposit and invoiced balance to be payable by credit card.
- For daily rental rates, see attached "Facility Rental Rates and Payment Terms".

Computer Laboratory

This room can accommodate up to 16 students, with one computer per student. Complete computer laboratory specifications are attached.

Computer Lab Details

There is no additional charge for set up of computers/network/access to available bandwidth. The computer laboratory has a dedicated network hard drive on which the instructor can load material for students' access. On completion of the class, proprietary software can be removed by instructor. We ask that if you have final set up instructions, that you get these and your software to our facility 10 days before start date

Lecture Room

This room is set up for lectures or seminars and can accommodate up to 18 students.

Multi-Purpose Room

This is the “break-out” room, which serves as the lunch room when it is not hosting equipment demonstrations or practical exercises. This room can also be used for eight computer work stations when the client requires two students per computer. This allows up to 32 students, 2 to a computer, with 16 students in the computer lab and up to 16 students in the multi-purpose room. Each computer will be connected to the laboratory network and the shared network hard disk.
